I have a passion for design and a keen eye for detail. I enjoy working on challenging, diverse projects requiring creativity and problem-solving skills. I am always eager to learn new tools and technologies and to improve my craft. I am looking for an opportunity to join a dynamic and innovative team where I can contribute to developing high-quality and engaging digital products.

## Technical Skills

---

[Figma](#) — [Adobe XD](#) — [InVision](#)

## Core Competencies

---
